

# John Cashin

WEB DEVELOPER

## Profile

I'm a passionate Front-End Developer from Ireland with a penchant for clean, easy to read and functional code. I graduated with a distinction profile BSc in Web Design & Development in May 2015, from Edinburgh Napier University. I strive to improve myself with each new opportunity I am a part of. The process of creation is what drives me.

## Education

### **Distinction Profile BSc in Web Design & Development**

- Edinburgh Napier University: 2014-2015

### **Modules completed:**

- Digital Storytelling ▪ Scripting for Interactive Media
- Advanced Web Technologies ▪ Creative Internship
- Cyber-psychology ▪ Web Enabled Business

### **BTEC HND in Interactive Media, Distinction Profile**

- Ballyfermot College: 2010-2014

### **Modules completed:**

- Visual Communications ▪ Animation ▪ Contextual Studies
- Social Networking ▪ Professional Practice ▪ Responsive Design
- Web Design ▪ Project Management

## Experience

### **Creative Internship, Edinburgh Napier University 2015**

While an intern at Napier, I was given creative control and oversaw the redesign and development of the official 'Get Ready' website. From planning the initial brief and design, to the full development of new site features such as animated infographics, responsive layout and CMS. This digital resource was revamped and refocused for a new generation of students.

## Details

- BA207 Claren Tower 1  
Downtown Dubai
- 056 274 1197

## Skills

I have a strong foundation in HTML and CSS as my strongest languages, while being at intermediate level with Javascript and jQuery.

I also have a strong knowledge of the Bootstrap framework and have experience using compilers such as Sass and version control with GIT.

I'm always trying to improve myself and have been a paying member of Treehouse.com for just under a year now.

## Workflow

- Photoshop
- Illustrator
- Sketch 3
- Sublime text 3
- Transmit
- Git/Source Tree
- Bootstrap 3
- Treehouse

## Interests

- Americanos
- Science Fiction
- Headphones
